Safe Spaces
WORKSHEET

A safe space can be a place, an activity you do or a person which makes you feel comfortable.
It can help to visualise or describe your safe space. This may help you feel calmer.

BELOW ARE SOME EXAMPLES OF SAFE SPACES

Do any of them resonate with you? Are there any that you think may be one of your safe spaces? Or are there any other examples, not listed here?

PEOPLE

Safe people listen to you and support you:

- parent
- grandparent
- sibling
- friend
- teacher
- pet

PLACES

Safe places feel calm and secure:

- home
- school
- park
- friend's house
- grandparent's house
- church or temple

ACTIVITIES

Safe activities let you express yourself and make you feel good:

- after school club
- sports
- reading
- music
- art
- video games

WRITE YOUR OWN!

Why don't you have a go at writing your own favourite safe spaces:
